### POSITIONS AVAILABLE AT THE SHOW

(\*\*Please note that by requesting a position, you are not guaranteed to be placed in that position\*\*)

**Main Stage:** Green Living needs your help with ushering attendees to their seats before presentations, tidying up the Main Stage area following presentations and assisting our Stage Producer. *The fun part:* you may get a peek at one of our green celebrities!

**Farm Fresh Fare:** Help us keep this food area clean. Tasks include wiping down tables and trays, as well as restocking the compostable cutlery. *The fun part:* your senses will be delighted as top chefs cook up a storm of local food delights!

**Test Drive:** Attendees to the Show can take fuel-efficient and electric vehicles for a spin. This volunteer position is located outdoors and you will help usher attendees from inside the Show to the cars outside. *The fun part:* you can check out the latest and greatest in green cars!

**Kids Zone:** Here we need your help ensuring that kids aren't left unattended. This area is meant for both kids and parents to enjoy together. You can also make sure that our presenters have everything they need in order to keep the day's events flowing. *The fun part:* you may get to meet some endangered species!

**Show Bag distribution:** Located at the entrance to the Show, you will be handing out shopping bags to attendees entering the show. Other tasks include restocking the Show Guides in their bins by the entrance. *The fun part:* everybody loves free stuff, so you're sure to be popular!

**Show Office:** Friday mornings are very busy. We need your help in the Show Office with distributing badges to exhibitors. Your shift will begin at 8:00am on Friday morning. *The fun part:* the adrenaline rush!
